### **Shroud: The Visual Gospel**

A SHROUD PRESENTATION helpful to prepare for Easter. DCN ANDY WEISS developed this original talk which shows what is read Scripture and what it looks like on the Shroud. There will be time for questions / discussions after the presentations. This presentation is given twice, 10 AM is open to the public.

DISPLAYS: Museum features a research-grade, professionally back-lit, full-size 14' X 3½' Barrie Schwartz 1977 STURP (Shroud of Turin Research Project) and many other photos including the sudarium.

DCN ANDY encountered the Shroud in Colorado in 1998 with DR. JOHN JACKSON & at SEAM in Alamogordo, 2009. Pre-diaconate, he created SEAM online (iSEAM) & continues to contribute with presentations such as [SEAM Shroud](#) & [VP8](#), papers such as [The Shroud And Zechariah](#) & [Evidentiary Case for Authenticity](#), photo editing. It also features writings by its founder, DCN PETE SCHUMACHER & others.

SEAM is known around the globe with more than 108,000 visitors from 136 countries.

DCN ANDY is Webmaster and former President of SEAM, [e-mail him](#) if interested in Shroud talks at SEAM or your location. Translators and special group requests can be made available when requested in advance. For more information, articles, images and to contact us, visit [iSEAM](#) or our [fb home page](#).
