From: Shroud Exhibit And Museum, Inc. (SEAM), an NM 501-c-3 corporation

Contact: Peter Schumacher

Email: Events@ShroudNM.com

“The Shroud of Turin: A Holographic Experience” with Dr. Petrus Soons

What: "The Shroud of Turin: A Holographic Experience"

Who: Dr. Soons is most famous for his 3D imaging of the Shroud of Turin based on discoveries made in New Mexico in 1976. Employing contemporary technology, Dr. Soons makes the Shroud viewable in 3D without the use of 3D glasses. He has produced a hologram and models from the Shroud that have been featured in Shroud exhibits around the world. We are truly blessed by his return to Alamogordo where he is continuing his studies of the Shroud using instruments and images on loan by the Shroud Exhibit and Museum director, Deacon Pete Schumacher and Vice President, Susan Wagner.

When: Friday June 1st, 6PM Español, repeating at 8PM English.

Where: Shroud Exhibit And Museum, 3199 N White Sands Blvd, Suite D-1, Alamogordo, NM 88310. (Features the unique interactive 3D instrumentation used to discover the Shroud's 3D properties.)

Tickets: \$5 each. Limited seating, first come first served. Buy at the museum or on-line at ShroudNM.com. Museum Phone: 575-446-2113

To Buy Tickets Online:

- Click *Donate* Button
- Use *note to seller* section & list
 - ✓ Event Date & Time
 - ✓ Number of Tickets
 - ✓ E-Mail Address for confirmation reply
- Total Donation = Number of Tickets multiplied by \$5 (e.g. 5 tickets x \$5 = \$25)
