

SPIRITUAL RETREAT OPPORTUNITY

THE SHROUD OF TURIN, THE ROSARY, AND OUR RELATIONSHIP WITH GOD

JUNE 14 – 16, Friday evening to Sunday morning

At Holy Cross Retreat Center, Mesilla Park, NM

Deacon Pete Schumacher will lead a three-day retreat of prayer and meditation in the peaceful surroundings of this beautiful facility. The format is based on the four sets of mysteries, associated scripture, and inspirational images, including a life-size color image of the Holy Shroud. He has presented similar retreats and lectures at San Patricio Retreat Center in New Mexico, Saint Joseph's Catholic Community in Arlington, Texas, and in Nevada, Missouri. He recently presented a very successful 4-day mission series at Immaculate Conception Church in Alamogordo, New Mexico. Deacon Pete is co-founder and director of the Shroud Exhibit and Museum (ShroudNM.com) and has been involved in Shroud research since 1976. He helped to develop the cardboard 3D model of the Shroud of Turin displayed in the Air Force Academy chapel in Colorado Springs since 1978. This proved the 3D characteristics of the Shroud and began the largest scientific investigation ever launched to study a single artifact. It formed at a meeting in New Mexico in 1977 and included many New Mexico scientists. Deacon Pete was ordained in the Diocese of Las Cruces in 2009. The museum is listed in the Official Catholic Directory and is a non-profit under 501-c-3 ruling.
