"MIRACLES" - - - A ONE-DAY LENTEN SPIRITUAL RETREAT

Featuring TWO Inspiring Exhibits:

Eucharistic Miracles and The Shroud of Turin in 2D and 3D Images

With inspirational reflections and peaceful prayer time

The Holy Shroud of Turin is believed to be the burial cloth of Jesus. A full-size image of the Shroud will be displayed. In 1977, the world's largest scientific expedition ever launched to study a single artifact was formed in New Mexico, involving many people from New Mexico.

Fascinating displays of dozens of Eucharistic Miracles will be exhibited. There will be a presentation by Richard Bernatchez of Faith Based Communication who has travelled to many of the places where some of these have occurred. He will speak to us about his experiences.

Acolyte and Reader, Ken Quade, who is preparing to become a Deacon in the Diocese of Las Cruces in May of 2015, will speak about his encounter with the Shroud and the Word.

Deacon Pete Schumacher, founder of the Shroud Exhibit and Museum, will lead the retreat. He has studied the Shroud since his encounter with the 3D proof made in Albuquerque in 1976. He appeared in the Discovery Channel documentary, "Unwrapping the Shroud: New Evidence". Deacon Pete will share some thoughts about miracles and God's love for us.
