Our Lady of Fatima Statue Visit

AMERICA NEEDS FATIMA STATUE has been travelling the world for over 70 years. We have invited their staff to the museum on July 17th, the day we celebrate the *Humility of the Blessed Virgin Mary*, her greatest virtue. There will be two staff members to do a short presentation and pray the Glorious mysteries of the Rosary. We will offer the staff a short presentation on the Shroud if they have time and interest.

DISPLAYED: Travelling Fatima statue.

EVENT: FATIMA STATUE DISPLAY, INFORMATION & PRAYER.

SEAM was started by Dcn. Pete Schumacher in 2009 and continued by President Dcn. Andy Weiss, starting Jan 2018. Dcn. Andy first met the Shroud in Colorado in 1998 with Dr. John Jackson & started his study at SEAM in Alamogordo in 2009. Asked in 2009 to create SEAM online (iSEAM), he continues to contribute extensive online Shroud & VP8 presentations, papers, photo editing & other writings.

SEAM & iSEAM are known around the globe with over 89,300 visitors from 124 countries. For more information, articles and to contact us, use our [iSEAM](#) website or [fb](#).
