

THE SHROUD OF TURIN: AN UPDATE

AUGUST 18, AFTER SUNDAY MASS, SAINT AGNES' PARISH IN RED LODGE, MT

Pete Schumacher, founder of Shroud Exhibit and Museum in New Mexico, 3D expert, and Shroud investigator since 1976, will be giving a presentation with up-to-date information on this most fascinating artifact that many believe is the Burial Cloth of Jesus, and with very good facts and reasoning to support that belief.

Prepare to take a picture like no other, using your own smart phone. His style of speaking makes Shroud complexities easy to understand for everyone. Topics include his research presented at a recent International Shroud Symposium, the Sudarium of Oviedo's connection (considered to be the face cloth found in the tomb) to Shroud history, and some easy-to-understand answers to your questions. There will be items on display, as well.

Join us in the hall after the 11:00 Mass on Sunday, August 18.
