Founder **Dcn. Pete Schumacher** starts in 1976 when delivering a VP8 Image Analyzer to John Jackson & Eric Jumper, Air Force Academy scientists.

Director/Webmaster **Dcn. Andy Weiss** starts in 2009, creating the website with photos & presentations.

We believe the Shroud is a most important holy relic. On occasion expert guest speakers are invited to present their research. Watch the website for announcements.

Schools, church groups, tour groups, and other groups can schedule a visit, tour, or use our multi-media space (reservations 2 weeks in advance). A donation is expected based on needs and the activity planned. Multi-media equipment & Dcn. Andy & Pete are available.

Shroud Exhibit And Museum, Inc. displays materials donated by co-founders Dcn. Pete Schumacher and Susan Wagner.
