DCN ANDY encountered the Shroud in Colorado in 1998 & at SEAM in 2009. Asked before either was ordained to create SEAM online, he contributes extensive Shroud & VP8 presentations, *Shroud & Zechariah* reflection, photo editing work & other writing. SEAM is known around the globe with over 74,350 visitors from 105 countries.

DCN ANDY encountered angels and his Guardians through his wife and, after 18 months of research, has compiled an exciting set of talks he has given at SEAM & several Churches in his area. [Contact him](#) if interested in a three-set DVD.
